(WORD COUNT STARTS HERE)

It has been an honor to serve as your councilmember for the last four years. In that time, I've helped Davis become an even better place to live by enhancing community livability and sustainability.

My accomplishments include:

- Creating a Davis/Dixon Ag Greenbelt
- Enacting a 2:1 Agricultural Mitigation Ordinance
- Preserving over 2,000 acres of open space around Davis
- Implementing a new public safety communications system
- Adding public safety personnel in our community
- Balancing the City Budget
- Diversifying sales tax revenue

In my second term, I'll continue to push forward new ideas that protect and improve our quality of life by focusing on three principles: Green, Safe and Smart.

GREEN

- Reduce our City's Carbon Footprint
- Promote the use of solar energy in all municipal buildings
- Complete the Davis Bikeway/Greenway System

SAFE

- Securing funds for additional public safety personnel, equipment and training
- Enhancing our emergency response program

SMART

- Creating a balanced city budget
- Maintaining a healthy reserve fund
- Increase revenues by attracting green technology businesses

I am supported by local police and firefighters. I would be honored to have your vote.
